DIVISION OF RADIATION PROTECTION
Airustrial Center, Bldg. 5 • P.O. Box 47827 • Olympia, Washington 98504-7827

April 22, 1994

To Interested Persons:

The Washington State Department of Health is pleased to provide you with our latest special report "Radioactivity in Columbia River Sediments and Their Health Effects". I hope that this report resolves many of your questions regarding the risks of radioactivity in Columbia River sediments. If you have any further questions please call Doug Wells at 206-586-3585.

Sincerely,

A handwritten signature in black ink, appearing to read "John L. Erickson".

John L. Erickson, Head
Environmental Radiation Section
Division of Radiation Protection
